Thank you for entrusting us with your medical care. Your child's appointment is with **Dr. John Emmett**.

First, please fill out the requested information and answer the relevant questions on the Shea Clinic patient portal. Otherwise, please complete the registration forms before arriving and, if possible, fax them to (901) 680-1992. This will enable us to key your information into the computer before you arrive. If you cannot do this, please arrive 45 minutes early in order to give us time to enter your information. PLEASE NOTE! As a courtesy to other patients, your failure to register through our patient portal or failure to arrive 45 minutes early to complete the registration process, may result in Shea Clinic having to reschedule your appointment. Also, please bring **ALL** medical records related to your child's problem with you. Please bring records made by other Ear, Nose and Throat Doctors or Speech and Hearing Centers. If you do not have copies of these records, please call or write to have them sent to the Shea Ear Clinic by mail, or fax to (901) 680-1992, well in advance of your child's appointment.

At the time of your child's appointment, they will be given a routine hearing test and, if necessary, special hearing tests and/or tests of their balance system. There is no need for your child to fast the night before your office visit at Shea Ear Clinic. You child can have a **light** breakfast the morning of their office visit.

Although rare, if dizziness, vertigo or loss of balance is part of the reason for your child visiting the Shea Ear Clinic, they may need to undergo special balance tests during the visit. **If so, please discontinue the following medicines at least five (5) days prior to your office visit if you are taking them: Valium (diazepam), Antivert (meclizine), Dramamine, Phenergan (promethazine), Transderm Scop (scopolamine), Xanax (alprazolam), and Ativan (lorazepam).**

The physicians of Shea Ear Clinic participate in Medicare, Blue Cross/Blue Shield and most other Commercial Insurance plans. **Shea Ear Clinic does NOT participate in any MEDICAID plans, and is NOT accepting any new MEDICAID patients. Shea Ear Clinic does NOT participate with TENNCARE or most HMO Plans.** You are responsible for paying any co-pays, coinsurance and/or deductibles based on your insurance's contracted rates. Please check with your insurance company to learn if Shea Ear Clinic participates in your plan. **If Shea Ear Clinic is not a participating provider in your insurance plan, you may or may not have out-of-network benefits**. Regardless, you will be responsible for paying any deductibles and/or coinsurance at the time of service. If you do not have any out-of-network benefits, you will be considered a "self-pay" guarantor. **Self-pay guarantors are required to pay a $500.00 deposit before services are rendered**. **If your insurance plan requires a referral, you must obtain this referral prior to your appointment date.**

PLEASE do **NOT** bring additional children or more than one responsible adult with you. If your child is recommended for surgery, your child will need one responsible adult with them throughout all visits and procedures.

Most Shea Clinic patients stay at the Sonesta Suites connected to the Shea Clinic by a walkway. The telephone number is (800) 766-3782 and be sure to ask for the special discount rate for Shea Clinic patients. A listing of additional nearby hotels is listed on our website (www.SheaClinic.com) along with a map and directions.

JOHN R. EMMETT, M.D.

Dr. John Emmett joined the Shea Ear Clinic in 1976, and specializes in the medical and surgical treatment hearing and balance disorders and has performed more than 17,000 major ear operations. An internationally-known lecturer and author, Dr. Emmett is widely published in medical journals and books and has been selected nationally by his peers each year for two decades to be included in the listing of "The Best Doctors in America."

His past and present associations include President of the Memphis Society of Otolaryngology, President of the Tennessee Academy of Otolaryngology, Vice President of the Southern Section of The Triological Society and President of the Otosclerosis Study Group. He has served as a member of the Board of Directors of the Deafness Research Foundation and on the Scientific Advisory Committee of the American Tinnitus Association.

Dr. Emmett was elected to membership of the prestigious American Otological Society and The Triological Society. Dr. Emmett is the recipient of the Honor Award of the American Academy of Otolaryngology for his contributions to the field of otolaryngology.

Originally from West Palm Beach, Florida, Dr. Emmett graduated from Georgia Tech in 1965 with a Bachelor of Science degree in Applied Biology and began graduate work at Baylor University in biochemistry and physiology, where he received his Masters Degree in 1968. In 1966, Dr. Emmett began his medical career at George Washington University in Washington, D.C., earning his Doctor of Medicine degree in 1970. At the time of his medical school graduation he received the Hoffman-LaRoche Award (highest award) and the Alexander A. Horwitz Award for excellence in surgery. Originally interested in cardiothoracic surgery, Dr. Emmett entered the Duke University Residency Program with the intention of pursuing a surgical career. He trained for two years in general surgery at Duke and a third year of general surgery was completed at University of North Carolina. He then completed three years of Otolaryngology-Head & Neck Residency at the University of North Carolina and completed it in 1976.

It was during his rotation in Otolaryngology-Head and Neck Surgery-that Dr. Emmett performed his first ear operation. "From that moment on, I was hooked on the microsurgical techniques of the ear". Subsequent correspondence and mentoring with Dr. John Shea, Jr. led Dr. Emmett to join the practice in 1976.

Dr. Emmett's wife Karen is an audiologist, and he has two daughters who have followed his life of service. The older, Kathleen, is a Chief Fundraising Officer for non-profit organizations in Palm Beach, Florida. His younger daughter, Susan, is a resident in Otolaryngology-Head & Neck Surgery at Johns Hopkins University.

When Dr. Emmett is asked to sum up his life as an ear surgeon, he is quick to point out that it is more than the practice of medicine. It is part of his life's ministry. He states, "The biggest privilege and thrill of all is to serve in God's healing ministry".

PATIENT RESPONSIBILITIES

1. Provide accurate and complete information about the present complaint, past illnesses, hospitalizations, medications, and other matters which relate to their health.
2. Report their level of pain or unexpected changes in their condition.
3. Report whether they clearly understand plans for their care and what is expected of them.
4. Follow both the treatment plan recommended by the physician and the Shea Ear Clinic rules and regulations affecting their care and conduct, including the instructions of nurses and other health professionals.
5. Accept the outcome of their actions should they refuse treatment or choose not to follow the physician's order.
6. Be considerate of the rights of other patients and Shea Ear Clinic staff and for assisting with the control of noise.
7. Be respectful of the property of other persons and of the Shea Ear Clinic.
8. Meet all of the financial obligations of their health care.

PHYSICIAN REFERRAL POLICY

If the patient's insurance requires a physical referral, the referring physician must call your insurance company and obtain a referral authorization prior to your appointment. It is the patient's responsibility to bring their referral information with them, or have their referring physicians send the referral letter by mail or fax to:

SHEA CLINIC
6133 POPLAR PIKE
MEMPHIS, TN 38119
FAX: (901) 683-8440

PRE-CERTIFICATION POLICY

Shea Clinic has adopted the following policy for pre-certification on all insurance plans, health maintenance organizations and other reimbursement plans excluding Medicare:

1. When provided with complete insurance carrier information at admission, we will assist patients in pre-certifying their admission and stay as directed by their insurance company. Patients should contact their employer if they are unsure of their policy requirements regarding pre-certification.
2. Regardless of the outcome of pre-certification efforts, Shea Clinic will NOT be financially responsible for any reduction in payment or any penalty sustained by the patient or the guarantor. Nor will Shea Clinic accept responsibility for pre-certification. Any failure of Shea Clinic personnel to assist in this process will NOT make the Shea Clinic financially liable.
3. Shea Clinic will hold the patient, or guarantor, responsible for all balances not paid by the patient's insurance company, HMO or other insurance reimbursement plan, regardless of the conditions of pre-certification, or the outcome of the process.
4. Shea Clinic acknowledges the pre-certification process may often be a complex and labor-intensive exercise. With a vast multitude of insurance companies, insurance plans within the insurance companies, and other less traditional reimbursement plans, it is the patient's and/or the guarantor's responsibility to know the requirements of their policy. As the owner of the policy, it is imperative the guarantor understand all of the parameters of the plan they own. Accordingly, Shea Clinic will not be held financially responsible when the plan requirements are not fulfilled to the satisfaction of ANY third party payor.

PATIENT FINANCIAL POLICY

The Shea Clinic is a participating provider with many managed health care insurers to accommodate the needs of our patients.

We are committed to building a successful physician-patient relationship with you. Your clear understanding of our Patient Financial Policy is important to our professional relationship. Please understand that payment of services is a part of the relationship. Please ask if you have any questions about our fees, our policies, or your responsibilities. It is your responsibility to notify our office of any patient information changes (i.e. address, name, phone number, insurance information, etc.).

Insurance Claims & Co-Pays
The patient must present an insurance card at each visit. All co-payments, co-insurance, deductibles and past due balances are due at the time of checkout. Insurance is a contract between you and your insurance company. Insurance programs have many individual requirements and the same insurance company may have different benefits based upon the employer group or individual policy.

If your insurance company has special requirements for your services, such as a special lab requirement, a limitation on the number of times a service can be performed, limitations on where outpatient services may be performed, or requirements for primary care referrals, you must advise our office of these provisions or you may be responsible for additional charges. The Shea Clinic makes every attempt to minimize your out-of-pocket costs by following any provisions of which you make us aware.

Although we may estimate what your insurance company will pay, the insurance company makes the final determination of your eligibility and benefits. If your insurance company is not contracted with us, it is your responsibility to pay any portion of the charges not covered by insurance, including but not limited to those charges above the usual and customary allowance.

Referrals and Prior Authorizations
If your insurance company requires a referral and/or prior authorization, you are responsible for obtaining it. Failure to obtain the referral and/or prior authorization may result in a lower or no payment from insurance, and the balance will be your responsibility.

Self-Pay Accounts
Self-Pay accounts are patients without insurance coverage or patients without any out-of-network benefits. Self-pay patients are required to pay a $500.00 deposit before services are rendered. All guarantors are required to provide proof of their social security number and a government-issued pictured identification card or provide the Shea Clinic with a $500.00 deposit before services are rendered.

Missed Appointments
The Shea Clinic requires a 24-hour notice of appointment cancellation. Appointments missed and are not previously cancelled may be charged a fee of $25.00 in which case this fee must be paid prior to scheduling additional appointments.

Returned Checks
The charge for a returned check is $40.00, payable by cash or money order. This will be applied to your account in addition to the insufficient funds amount. You may be placed on a "cash-only" payment basis following any returned check.

Outstanding Balance Policy
It is our office policy that all past due accounts be sent two statements. In the event an account is turned over for collection, the person financially responsible for the account will be responsible for all collection costs, including attorney fees and court costs.

Medical Records Policy
The Shea Clinic will provide your medical records to a referred physician as a courtesy. Any other requests will require the prepayment of a $20.00 retrieval fee plus $.40 per copied page. This fee is subject to change without notice at any time.

Forms Completion Policy
Requests for the Shea Clinic, our physicians or members of our staff to complete forms will require the prepayment of a $20.00 retrieval fee plus $25.00 per page. This fee applies to all requests for the completion of any disability papers or consultation forms.

I accept and understand the Shea Clinic Financial Policy.
