MEDIA

“Shea Clinic implant is area’s first”, an article published in the Memphis Commercial Appeal newspaper, August 10, 2014, about Fahad Khan, a patient from Lahore, Pakistan, who received the first cochlear implant in the Mid-South on a patient with single-sided deafness

Appeared on “Live at Nine” TV program on WREG Channel 3 in Memphis on July 24, 2014 with Fahad Khan to discuss his experience after receiving his cochlear implant and its implications for patients like him with single-sided deafness
